Before I Die

Before I die
please hold me close
and tell me
that you love me
and I will do the same

Let us thank one another
for the good times and
forgive one another
for the bad

When all is said and done
let us say our sweet goodbyes
knowing we will be in
each other's hearts forever

And if perchance
I die before I wake,
just shut your eyes
and say the
words in silence

I promise I
will hear them
still
