

the gift  
of giving

As Sister  
Corita Kent said:  
When life sends  
you lemons  
make lemonade!

(and give it away)

When Mary was told  
her baby daughter had cancer  
she crocheted blankets  
for other sick babies

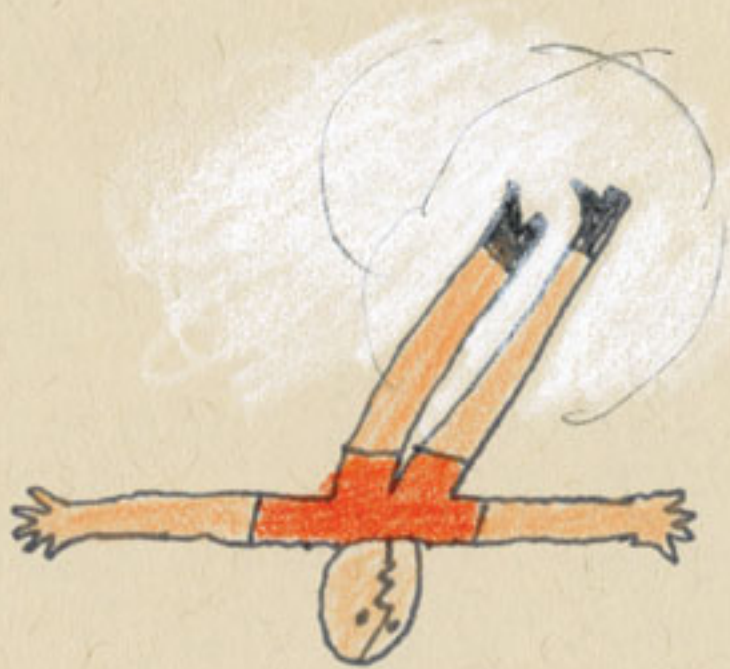

We all know  
giving is better  
than receiving.

But did you know  
giving is the greatest  
gift you can give  
yourself?

When your life  
spins out of control

Crocheting brought  
her comfort

When they told  
Peter he wouldn't  
live for long.

he started caring  
for orphans  
with AIDS in  
Africa

Last Christmas  
he sent 1,000 toys  
to Africa with his  
toy drive

Peter is still  
alive and  
thriving
